COLLEGE TEAM PLAYS THE TOWN ELEVEN

Second Wesleyan Eleven Wins By Score of 10 to 0.

What was advertised to be a football game was played yesterday upon the College Athletic Field by the second College team and a pick up team of town players.

The first half showed some very fair, if somewhat rough football, no score being made until the last half minute of play when Henry for the College men placed a pretty goal from drop kick over the bar from the thirty-five yard line.

In the second half the College seconds kicked off and after three minutes of play kicked off the field. Green left end of Wesleyan secured the ball and ran to the goal line. It was declared down before scoring but on the next line up Hendrix went over for a touch down. Henry kicked goal. Score, College Reserves 10 Town 0.

When the town men kicked off the ball was fumbled and after a general piling off the referee awarded the ball to Henry, the town boys refused to continue and forfeited the game.

Confederate Veteran Passes to Rest at the Age of Seventy-three.

MT. STERLING, Ky., Nov. 5.—Capt. Fred C. Riddell died at his home in this city yesterday after a brief illness. He was 73 years of age and a widely known contractor. Captain Riddell was a native of Bourbon county living there many years.

He joined the Confederate army when quite young, serving one year in Col. E. F. Clay's company, and was honorably discharged after one year. He then joined the command of Gen. John Morgan and was elected Captain of Company D. Eight Kentucky Cavalry, serving until captured by the Federal forces and placed in confinement at Johnson Island, from which place he was released when the war closed.

He then returned to North Middle town and engaged in carpenter work moving here about fifteen years ago and becoming one of the leading contractors in the city. The body will be taken to North Middletown for burial Thursday, and will be interred in the cemetery there under control of the United Confederate Veterans.

A prominent poultry man of this city, when asked how the turkey market for Thanksgiving was, said that there seemed to be a scarcity of turkeys in some parts of the country and that the country people were asking a much higher price for them here on foot than they could get in the East and that the market prices in New York and other Eastern cities was lower than it has been for ten or twelve years. RADICAL CHANGE

In Indiana's Representation in Congress Came as a Surprise.

Indianapolis, Ind., Nov. 5.—A radical change in Indiana's representation in the national house of representatives was the most striking feature of the election. The latest unofficial returns complete give the Democratic party 11 members and the Republicans two. This is a gain of seven members for the Democrats, the former representation being nine Republican and four Democratic members.

William H. Taft carried the state for president, according to incomplete returns, by about 8,000. Thomas R. Marshall and the entire Democratic ticket are probably elected by a plurality around 5,000. As the returns come slowly rolling in Marshall's plurality increases, while the vote on the Republican national ticket decreases.

The state legislature is probably Democratic, which means that a successor to Senator James A. Hemenway will be chosen. In this connection the name of John W. Kern is mentioned. The defeat of Congressmen Jesse Overstreet and Charles B. Landis, who were regarded as fixtures in the lower house of congress, is regarded as quite a surprise.

Kansas.

Topeka, Kan., Nov. 5.—Returns from 59 counties, complete and incomplete, have been received. These give Taft 22,024 and Bryan 16,417. Late returns are reducing the estimated plurality of Taft and of Stubbs for governor. Stubbs' plurality is placed at 20,000 to 25,000 and Taft's at about 3,000 more. The election of Joseph L. Bristow to the United States senate is assured. Returns received show the election of 39 Democratic representatives and five Democratic senators, 70 Republican representatives and 30 Republican senators. This leaves 16 representatives and five senators still in the doubtful column. The Republicans have a majority in the legislature of 56, not counting the doubtful members, and of 35 counting all the doubtful ones in the Democratic column.

New Jersey.

Trenton, N. J., Nov. 5.—Revised returns give Taft a plurality in New Jersey of about 70,000. These figures, as the later returns come in, may possibly be increased to meet the plurality given Roosevelt four years ago, which was 80,598. One of the surprises of the returns was the small plurality given Mr. Bryan in Hudson county. Unofficial figures place the plurality at 1,700. Four years ago Parker had 1,338. This year Kinkead and Hamill, Democratic candidates for congress in the Ninth and Tenth districts, which comprise Hudson county, carried the county by combined pluralities of 14,500.

MYSTERIOUS COMMUNICATION

Declares Holland Will Make No Demonstration Against Venezuela.

Willemstad, Curacao, Nov. 5.—The colonial government issued a communication to the people of Curacao in which it set forth that the rumors current recently that the government of the Netherlands would take some hostile action against Venezuela on the first of November were without foundation.

This communication is rather mysterious, particularly in the method of its appearance, and it has created considerable discussion. It also has led to the belief that Holland does not intend to embark on any course of armed hostility against the republic of Venezuela. This communication appears as an unsigned article in the Dutch language in a daily newspaper of Curacao published in Spanish. The article gives assurance that the interests of the colony will not be neglected. The government of the Netherlands, it is explained, will put an end to the existing difficulty with Venezuela in a manner entirely satisfactory to itself as well as to the people of Curacao.

LEGAL HOLIDAY

May Be Made of Election Day in State of Ohio.

Columbus, O., Nov. 5.—Business men and many others of Columbus are decidedly in favor of making a legal holiday in Ohio on national election day, and it is probable that at the forthcoming general assembly a bill will be introduced.

Practically all of the eastern states, including Pennsylvania, Kentucky, Indiana and others contiguous to Ohio, observe the day as a legal holiday, and as a result no business is forthcoming for Ohio business men.

Columbus business men say that Tuesday might as well have been a holiday with them, for very little business of any kind was transacted. Banks were also closed. By the time another presidential election day comes along there is practically no doubt but that it will be a legal holiday in Ohio.

President Eliot Resigns.

Boston, Nov. 5.—President Charles W. Eliot, for more than 30 years the head of Harvard university, tendered his resignation Oct. 26, to take effect May 19, 1909, according to an announcement made by the Harvard board of overseers. The resignation has been accepted. Charles William Eliot was born in Boston in 1834 and was graduated by Harvard university in 1853. He at once became a tutor at Harvard and was advanced steadily until his election to the presidency in 1868.

San Francisco, Nov. 4.—Watched by detective who awaited an order for his arrest from Sydney, Australia. Harry Johnson, who is believed to be a member of a noble English family, escaped from the British steamer Lord Sefton and is now sought by the police. Johnson is supposed to be Forsyth Jewell, wanted by the Sydney police in connection with the theft of a quantity of jewelry and lace from warehouses.

Wanted in Chicago.

Boston, Nov. 4.—Extradition papers in the case of Mrs. Martha M. Dumphy of this city, who is wanted in Chicago on an indictment charging her with the larceny of jewelry and stocks valued at \$9,000, were received by the police from Springfield, Ill. It is expected that Governor Guild will give Mrs. Dumphy a hearing later in the week.
